SUMMARY

Motivated Junior Software Engineer with one year of hands-on experience developing secure and high-performance Web APIs using **ASP.NET Core**, **JWT**, and **Redis**. Adept at problem-solving and passionate about **backend development**, **software architecture**, and **artificial intelligence**. Committed to writing clean, maintainable code and continuously improving through learning and collaboration in dynamic international environments.

EXPERIENCE

ITI Internship (Back-End Development) - Jul 2023 to Sep 2023:

Web Developer • 2023 – present

EDUCATION

Università degli Studi della Toscana Italy • (2025 - present)

AI & Archival Science Master

Benha University Egypt • (2020 -2024)

Computer Science Bachelor

Grade: Good+ | Graduation Project – Excellent

CERTIFICATIONS

- › ITI internship in ASP (completed Sep 2023) – [ITI Certificate](#)
- › Route Academy certificate (completed Nov 2024)

SKILLS

Back-end: ASP.NET API, MVC , Desktop Apps , C#, Entity Framework Core ,

Frontend: Html5 , CSS , TailwindCSS , Js

State Management: Redis, JWT, Stripe Payment gateway

Databases: MySQL, SQL Server

Programs : VS 2022 , Postman , Redily , Redis Server , MSSQL Server

Tools: Git, GitHub

PROJECTS / OPEN-SOURCE

Talabat – [visit website](#)

Tech Stack: Asp.Net API, MSSql, Redis , JWT encryption

This project simulates the backend of a food delivery platform like Talabat using ASP.NET Core, JWT, and Redis. It features secure authentication, role-based access, and management of restaurants and products.

The system showcases skills in building scalable, secure, and high-performance backend services.

Authentication-Dashboard – [visit website](#)

Tech Stack : Asp.Net , MSSql , MVC , Razor pages ,authentication (log,reg,admin Roles)

CRUD Operations – [visit website](#)

Tech Stack : Asp.Net , MSSql , MVC , Razor pages

Graduation Project – [visit website](#)

Image Processing App – [visit website](#)

HONORS & AWARDS

› 250+ problems solved on **LeetCode (Top 10%)** – [Visit my profile](#)

› 100+ problems solved on **CodeWars (Top 22%)** – [Visit my profile](#)
